Southwire's liability on any claim of any kind for any loss or damages arising out of, resulting from, or concerning any aspect of this warranty or customers use of the Product shall not exceed the price which Southwire was originally paid for the Product which gives rise to the claim. If the original sales price for the Product cannot be determined, then this liability shall be limited to the average price which Southwire was paid for the same Product. Some states do not allow the exclusion or limitation of damages or the length of time for an implied warranty. Therefore, the limitations or exclusions of consequential or incidental damages and implied warranties may not apply to certain claimants. This warranty gives the claimant specific legal rights. The claimant may also have other rights, which vary from state to state.

The foregoing warranty is in lieu of, and Southwire expressly disclaims, all other representations, guarantees, and warranties, express or implied in fact or by law, including without limitation all warranties of merchantability or fitness for a particular purpose or otherwise. The foregoing warranty states Southwire's entire and exclusive liability and purchaser's sole and exclusive remedy, in connection with the Products and all their parts, their design, suitability for use, installation and operation.
