

FIRE ALARM CABLE

Southwire Tappan[™] Fire Alarm Cables are manufactured in accordance to the most crucial fire safety codes and regulations, providing solutions for even the most critical of applications. Tappan[™] Fire Alarm Cables are superior for fire protective signaling circuits, as well as smoke detectors, voice communications, audio, control, initiating and notification circuits.

APPLICATIONS

- Fire Protective Signaling Circuits
- Smoke Detectors
- Voice Communications
- Audio, Control, Initiating, and Notification Circuits

FEATURES & OPTIONS

- Color Codes: Black, Red, Green, and Yellow
- Additional conductors and armoring options are available
- Packaging options include Reel, Reel Pull Box, Reel In-A-Box, SIMpull[®] CoilPAK[™] Wire Payoff, and SIMpull[®] Barrel[™] Cable Drum
- Many jacket colors available, including colors with extruded stripes

FIRE ALARM CABLE - RISE RATED (FPLR/CMR)
